Retransmitted with compliments:--.

The uniform rate of 4 annas per copy of each day's -- proceedings and the index part, and of Re.1-12-0 for a bound volume of the full session held in December or January, and Rs.2-12-0 for a bound volume of the full Budget session of the Council, proposed by the Secretary, Representative Assembly and Legislative Council, in his letter No.6396/L.C., dated 15th May 1943, may perhaps be adopted with a view to popularise the sale of these publications, by keeping the price of the same within the reach of the average citizen. As the cost of -- Composing incurred is the same for both the daily proceedings volumes and the combined volumes meant for Government records, etc., and the number of daily proceedings volumes separately bound and issued being limited, there is not likely to be any heavy loss by keeping down the price of these volumes as -- proposed by the Secretary, Representative Assembly and Legislative Council.

Sir,

I have the honour to state that commencing from the December Session of the Legislative Council, 1942, arrangements have been made to issue the proceedings of the Chamber in daily parts and, as these volumes had to be kept for sale, the Superintendent, Government Printing, was requested to intimate this office the price he proposed to fix for these volumes. From the reply of the Superintendent, Government Printing (copy enclosed for reference), it is seen that the rates for these daily parts range from 11 annas to Re.1/- per copy, though the price of the fully bound volume for the session is mentioned as Rs.2-13-0. The existing price of bound volumes is Rs.1-12-0 for the December or January Session and Rs.2-12-0 for the Budget Session of the Council. The question was examined in all its aspects and from the point of view of the Press as well as the intending purchasers it was considered desirable to fix a uniform rate for these daily issues and the rate to be fixed for them must be within the reach of all so that people might take interest in such matters and keep themselves informed with what is going on in the Legislatures. In view of these considerations, it seems to be fair and reasonable to fix a flat rate of 4 annas per copy of each day's proceedings and also the index part, Rs.1-12-0 for a fully bound volume of the December or January Session and Rs.2-12-0 for a fully bound volume of the Budget Session of the Council.

I request you to kindly obtain sanction of Government in respect of the above proposals and communicate the same to me as early as possible.

I have the honour to be,
Sir,
Your most obedient servant,
